Young people and senior citizens were all smiles Saturday afternoon when the jolly man of the season, Santa Claus, made his appearance at the Stanhope Firefighters' Hall. St. Nick, who announced his arrival with a hand held siren, distributed gifts to the youngsters and passed out special treats to the senior citizens.

Land purchase approved

A twenty-eight acre parcel of land containing a large deposit of gravel has been purchased by the Township of Stanhope for \$80,000.

The property was purchased from David Irwin following a year of negotiations.

The land, which is part of Lot 15, in Concession 3, of Stanhope Township, is located between Highway 35 and the Beech River.

While there is potential for creating six building lots on the 1400 foot river frontage the municipal township purchased the land to extract the large

deposit of crushable material on the site.

A study conducted by the Ministry of Transportation and Communications estimated that the site contains approximately 150,000 cubic yards of crushable material. The township spent \$10,000 on gravel in 1984 at a price of 75¢ a cubic yard.

The township intends to use the gravel on the municipal roads and will also sell the gravel to the MTC and private contractors.

In order to establish a gravel pit on the site the land

will have to be rezoned to Extractive Industrial.

This rezoning is expected to be included in the township's Comprehensive Zoning Bylaw which will be submitted to the Ontario Municipal Board for approval in 1985.

Under the terms of the purchase agreement the

township made a \$20,000 down payment and will pay the remainder before November 1985.

The purchase of the land was approved at the regular meeting of council on December 5.

Stanhope will no longer pay spouses' expenses at roads conventions

The taxpayers of Stanhope township will no longer be paying the bill for spouses of members of council who attend the annual Ontario Good Roads Association convention in Toronto. In addition, those attending will have their expense allowance limited to \$50 per day.

The policy changes were adopted at the December 5 meeting of the council, following a spirited exchange of views.

Reeve Harry Davis opened the discussion by questioning whether a municipality the size of Stanhope needed to send four delegates to the annual convention. He suggested that two representatives would be adequate. He also questioned the practice of the township paying the expenses of spouses attending the meeting. "We're the only township in the county, that I'm aware of, who pay for the spouses to attend the convention," the reeve told the meeting.

Councillor Dale MacDonald responded by saying he has enjoyed attending the convention, but that he did not think it was fair that spouses of the township representatives not be paid for as well by the municipality. He pointed out that the spouses often put up with a great deal during the year and implied that the convention provided a reward for all the "hassles" that come with being married to a member of council.

MacDonald also noted that the money used to pay for the convention expenses is subsidized by the Ministry of Transportation and Communications at 80%.

Last year three representatives of the municipality and two spouses attended the convention. The estimated cost was \$450 per couple and \$350 per individual.

Councillor Ann Barker described the convention as a learning experience and said she felt the presentations and the opportunities to speak to provincial ministers on a one to one basis, was of great value.

Deputy reeve Elgin Stouffer said he could not see the value of attending the convention year after year.

Davis described the convention as a "big social thing...the convention is not what it started out to be."

MacDonald said he did not find that to be true at the 1984 convention and that the only real time for socializing came during the meal periods.

The municipality has reserved four rooms for the 1985 convention, according to the clerk, Gerald Bain. He told the meeting that these arrangements can be cancelled if they won't be required.

MacDonald said if the restriction is placed on spouses for the Good Roads convention, the same policy should apply for other meetings. He mentioned the firemen's convention as one example. "I feel the spouses are entitled to attend considering what they put up with during the year," he added.

Davis replied that these "hassles" come with being an elected member of council. He added that he did not feel the problem was as great as MacDonald made it out to be.

MacDonald described the municipality footing the bill for spouses as "small peanuts." In particular, he noted that the wife of the road superintendent often "takes a beating on the

phone," when her husband is not home to respond to complaints from taxpayers.

Barker said she did not feel the members of council had taken advantage of the convention expenses provided by the municipality. "We're not eating steak and lobsters," she said, adding that the municipality does not send representatives to many conventions.

Councillor Alvin Johnson said if he attended the convention he would pay his wife's expenses. He said he had no plans to attend a Good Roads convention.

MacDonald added finally that just because other municipalities in the county do not pay expenses for their spouses, it is no reason the

Stanhope council should follow suit.

The council then adopted a policy which would stop payment of expenses of spouses of council members attending conventions. The policy does not apply to municipal staff members attending similar gatherings.

Expense policy

The council also agreed to set a daily expense limit of \$50. This figure was selected after consultation with the county which pays up to \$75 per day for those attending conventions. The expense payments covers costs incurred over and above accommodation, mileage and convention registration.

Dolls removed from area shelves

Retailers in the Minden-Haliburton area have removed Cabbage Patch look-alike dolls from their shelves following reports that some of the stuffed dolls could be hazardous. The action follows reports on national television in which dolls which look similar to the popular Cabbage Patch Coleco product were discovered to have a strong odour of kerosene. In one report, the television station

ignited one of the dolls and found that it burned rapidly, apparently fueled by a chemical in the material used to stuff the doll.

There was also some question of the toxicity of the chemical in the stuffing material. Concern was expressed about the safety for youngsters who might place the treated material in their mouths or near their

(more on page 2)

Dalton MacDonald, Reeve of Sherborne et al, is Haliburton County's Warden for 1985. The Dorset area politician was selected Tuesday night at a special session of County Council. The ceremony also marked a special occasion for county clerk Wynn Lahay who retires at the end of the year. For the final time in her career she installed a new warden and presented him with his chain of office.

Toy deemed unsafe

(from page one)

eyes.

Paul Heffer of the Minden IDA store said that the stock of these toys was removed from the shelves when he became aware of the problem. The dolls, which were wrapped in a cellophane covering, had a strong chemical odour, similar to kerosene, when removed from the wrapper. The remaining stock of these items would be returned to the supplier and the store owner advised shoppers who had purchased the dolls at the store to return them as soon as possible.

Similar look-alike dolls at the Minden Stedman's Store have also been removed from the shelves, although they did not seem to have the strong chemical odour. Store owner Vince Connaughan noted that there were a number of manufacturers of the look-alike dolls. He said he did not want to take any chances, however, and has ordered the products removed from the shelves.

Tags sewn to the bodies of the dolls indicate they were

One of the look alike Cabbage Patch dolls which has been taken off the shelves in stores across Canada including Minden.

manufactured in Taiwan. The tags also indicated that they contained "new reworked material" used as stuffing.

The dolls sell for less than \$10.

The product has also been removed from the shelves of

the Haliburton Pharmacy.

A sales clerk at the Penny-wise Store in Haliburton said there was no odour being given off by the look-alike dolls in that store and does not plan at the moment to remove them from the shelves.

Park, airport to benefit from land purchases

The Stanhope municipal council has agreed to the purchase of two pieces of property with an eye to future development of the township.

At the December 5 meeting of the council, approval was given to the purchase of approximately six acres of land immediately adjacent to the Stanhope Library. The land, belonging to Comet Quartz, was purchased for \$12,000.

The land will be held for use in future expansion of the park complex adjacent to the firefighters hall and

community playground.

The second purchase, was a 53 acre parcel of land in Guilford Township, east of Stanhope airport. The land fronts on Green Lake and abuts the present airport property.

The Ministry of Transportation and Communications had suggested the land be purchased for potential expansion of the airport facilities. The ministry will provide an 80% subsidy for the \$50,000 purchase. The land was bought from Brown Camping Supplies Limited.

For information call 286-2670 - evenings.

The Neighbourhood Watch Program in Minden took on a higher visibility recently with the installation of signs at the entrances to town and streets leading to the main subdivisions. The signs are designed to deter potential thieves by informing them that the community has an organized system of self-protection. Financial assistance for the purchase of the signs was provided by the Kinsmen Club of Minden. Kinsmen representative Larry Amyotte, right, and Neighbourhood Watch co-ordinator Phil Graham, examine one of the newly installed signs on North Water Street.

New pumper for Stanhope

Firefighters in Stanhope Township will have a new weapon in the war against fire next year.

At the regular council meeting on December 5, council approved the purchase of a mini-pumper unit at a cost of \$42,000.

As the name implies, the unit is a smaller version of the pumper trucks currently in use in most fire departments. The vehicle has a 200 gallon tank mounted on a one and a half ton chassis and has a four wheel drive power train.

Water from the tank can be pumped at a rate of 250 gallons per minute through

3 1/2 inch hoses. A secondary pump can draw water from a remote source such as a river or lake at a rate of 200 gallons per minute through 2 1/2 inch hoses.

The council purchased the mini pumper on the recommendation of the Stanhope Fire Department Fire chief Bob Nangle.

At a council meeting earlier this year, Nangle told council members that the fire department cannot gain access to many cottages in the township with the pumper currently used by the department because the truck is too large to

negotiate the narrow, winding access roads. He added that in some instances trees have to be removed from the roadside to allow the truck to pass thus increasing the response time.

The smaller unit could be driven to the site of a fire and fire crews could begin fighting the fire before the larger unit is brought in he said.

It is expected that the pumper unit will be delivered to the township by the summer of 1985.

Police win some, lose some

It was a week for winning some and losing some for the Minden detachment of the Ontario Provincial Police. The local detachment reports that this past week three cottage break-ins were discovered on Moose Lake near Eagle Lake. On the positive side of the ledger, the police have recovered stolen goods valued at close to \$30,000.

The Moose Lake break-ins were discovered on Saturday when the owners of the cottages visited for the weekend. In each case the doors of the cottages were forced to gain entry. Two property owners report losing household goods, liquor and canned goods. A report on the third break-in is not complete at this time.

Constable Bill Clendinning is the investigating officer.

Police have recently stepped up patrols in the Canning Lake area as a result of a number of break-ins there. The increased attention to the area resulted in the discovery of a motorcycle which was recently stolen from Kinmount. A second motorcycle was discovered nearby after the vehicle was involved in an accident in which the rider sustained serious leg injuries.

Also, this past weekend the police discovered an inboard/outboard boat valued at \$27,000 parked at a boat storage area on Canning Lake. The boat and trailer had been taken from

the Toronto area in July. The trailer was valued at \$1500.

Charged with the theft of the motorcycles, boat and trailer are 20 year old Erich Hehn and 17 year old Allan Kruuv, both of Willowdale.

The investigating officer is Constable Mike Maher. An investigation into the other cottage break-ins is continuing.

Tightening the belt

The annual Ontario Good Roads Association convention has been the subject of many comments over the years. The event, held in Toronto, attracts municipal elected officials and roads departments for a three day session of meetings, seminars and speeches. The convention is used by a number of provincial ministries as a forum for presenting new programs and ideas to the assembled municipal officials and politicians.

The event has also gained a bit of a reputation as a "good-time." Having never attended one of these conventions, we are reluctant to comment on the lasting value of these gatherings. Suffice to say whenever the subject of the convention is raised, it more often than not is a matter of winks and nudges for those planning to attend or who have just returned.

Stanhope council, at its meeting December 5, has decided that perhaps the annual convention is not of paramount importance, at least not so important that four delegates from a single township municipality need attend. We agree.

The municipality has also agreed to withdraw financial support for the spouses of councillors who are attending. Again, we agree. We have no objection to spouses taking advantage of the occasion to enjoy several days in the city, but hardly feel the taxpayers of any municipality should foot the bill for non-delegates who happened to be married to one.

If a municipal council feels attendance at the convention is of value, by all means, send representatives, in reasonable numbers. But the occasion shouldn't be used as a ratepayer financed vacation in Toronto.

Snow covers another season.

Small business loan program

- by John Eakins, MPP -

As your provincial member of Parliament, I get a lot of enquiries from people who would like to either start up a small business or have help for the one that they have.

In the past, very little financing has been available for areas such as this, other than banks from whom it is very difficult to obtain funding.

For years I have been pressing for financial assistance in this area of small business.

The Ministry of Industry and Trade has just come up with the following program (H.E.L.P.) which I feel will be of real interest to you:

What is HELP

To encourage small, new or expanding industrial companies and tourist establishments, the Ontario Development Corporation will provide on a pilot basis 3 stage HELP (Help for Entrepreneurs Loan Program) loans. The total of all three stages will be a maximum of \$50,000 for any one company.

Application and approval procedures have been streamlined to get the necessary financing in place rapidly. For those companies that meet the criteria; Stage 1 is normally a loan of up to \$5,000; Stage 2 is an

additional \$15,000 to finance growth where first stage targets are achieved; Stage 3 is a final \$30,000 for those who achieve targets set in stage 2.

Do you have to start at Stage 1?

Proposals may be considered at any stage. For example, if financing is required between \$5,000 and \$15,000, the application will be considered to be at Stage II. If the proposal meets Stage II criteria, the company could then continue to Stage III when it achieves Stage II targets. However, the maximum loan at each of the respective stages cannot be exceeded. In this case, the applicant's maximum loan would be \$45,000 (\$15,000 Stage II plus \$30,000 Stage III).

Loans are repayable following a one year period during which no interest will be charged and no principal payments required. The repayment schedule will be negotiated prior to the second year depending upon earnings, but the term will not normally exceed five years.

Interest will be charged at the Corporation's base rate in effect at time of loan authorization.

Who may apply?

All applications will be

considered that are in these sectors: Secondary Manufacturing; A Service to Manufacturing; Tourist Establishments.

Business must be registered, have a clearly defined and viable idea-project with attainable and measurable goals that will create economic benefits for Ontario.

Where do you apply?

Applications will be reviewed by any branch office of the Corporations. Residents of Victoria-Haliburton should contact Mr. Ken Ledgard, Ministry of Industry and Trade, 139 George Street North, Peterborough, Ontario, K9J 3G6. (Telephone (705) 742-3459.) If you meet the criteria you will get an answer within two days. Security for this type of loan is limited to a promissory note thereby eliminating costly and lengthy legal proceedings and enabling fast funds disbursement.

What if I do not meet all the criteria?

Not everyone fits a standard mould. If you believe your project might qualify, the Development Corporations will take a look at it.

If I can personally be of service, please do not hesitate to contact my office.

outdoors

Federation of Ontario Naturalists

If you haven't set up a backyard bird feeder, there's still time. A simple feeder made out of a piece of plywood (12" x 24") with a 1" railing around may be attached to a window ledge. With any luck, you'll have

some Evening grosbeaks come right up to your window, if you stock the feeder with sunflower seeds.

Make sure you have an ample stock of sunflower seeds on hand. One large flock of grosbeaks will

consume hundreds of pounds of seeds over the course of a winter at considerable expense to the delighted birdwatcher.

Evening grosbeaks are about the size of a starling and have an extremely large conical whitish bill. The male is largely dull yellow, with black and white wings. The female is silvery-gray

but with just enough of the yellow and black to be recognizable. Their call is a ringing finch-like chirp "cleer" of "cleer-ip."

People wonder why the birds are called "Evening" grosbeaks because they seem to be more active in the morning than toward evening. When they were

named, they had been heard to sing only in the evening.

Formerly, this was primarily a western species, but in recent times it has rapidly pushed its breeding range eastward. In Ontario it was first known to nest at Lake of the Woods in 1920, first in the Muskoka district in 1927 and first in Algonquin Park in 1932. It

now breeds east to Cape Breton Island, Nova Scotia.

Other birds you might expect at a window feeder—particularly if the feed mixture contains a high percentage of sunflower seeds—are Black capped chickadees, bluejays, White breasted nuthatches, cardinals and purple finches. If the feeder contains a suet rack, Downy woodpeckers should visit it regularly.

Among Ontario winter birds, there are several species that prefer to feed on

the ground. Thus, the seeds spilled by the sloppy feeding habits of other birds at the feeder are utilized by these ground feeders, such as slate coloured juncos, tree sparrows, mourning doves and even pheasants.

Several feeders are always better than one. Larger birds may dominate a single feeder so that some interesting species may leave your area in search of food. Of course, if you get into bird feeding in a big way, have your credit card ready.

\$20,000 that didn't go to the dump

During his career as an auctioneer, Norm Mills of Minden has uncovered some unusual articles and made some surprising discoveries.

As he explained in a recent interview "I see a little bit of everything in this business. Sometimes I don't even know what some of the things are and I end up asking people at the sales." Norm added that he makes a point of becoming familiar with everything that he sells.

When he is asked to auction a private or business estate he must remove all the possessions from the home or business, load them in his truck, then unload them at his auction barn. Each time he handles an article he is able to get a better idea of its value.

His thoroughness in examining every item paid off for the estate of a shopkeeper earlier this year.

Norm had been asked to auction the estate of his uncle who had operated his own store on Barton Street in Hamilton for fifty years. He had sold candies, groceries, books and newspapers and had cashed countless numbers of cheques for his

customers in the neighbourhood. Because it was known that he often had large amounts of cash in the store, he had been the victim of numerous robberies.

It was during an attempted robbery in the first week of October that he was killed by thieves.

The thieves had cut a hole in the floor safe with an oxy-acetylene torch and may have recovered some of the contents, but some of the money in the safe was burned because of the intense heat generated by the cutting torch.

The police did find the charred remains of several thousands of dollars.

The thieves did not stop at searching the safe. They went through the entire store.

When Norm arrived at the store several days after the robbery he found the place in a shambles. "The thieves had all night to search and they had torn the place apart. There was stuff scattered everywhere," Norm said.

With help from three cousins Norm began the laborious task of cleaning

out the store and deciding what articles could be salvaged. "We had to throw out about 99% of the stuff because it was too old or damaged," he said.

While removing stock from the storage area the men "found bottles of pop that had probably been in the store for twenty years," Norm recalls. "The tops were still on the bottles but the contents had dehydrated, they had been there for so long."

Norm also remembers finding a gramophone in the basement that appeared at first to be in perfect condition, but when he tried to pick it up the gramophone disintegrated in his hands.

While going through the stock in the main counter Norm found a cache of money that eluded the thieves. "There was a bundle of bills tucked under the countertop. They were covered with ink that had spilled on the top and I would guess that they had been there for over fifteen years," he said.

Norm had nearly completed the job and was

in a hurry to get it finished so that he might attend his uncle's funeral when he noticed a chocolate bar box that appeared to have been casually tossed onto a pile of laundry at the rear of the storage area.

Norm opened the box expecting to find stale chocolate bars but even in the dim light he realized that the box contained two large bundles of money.

The bills were stacked on edge and filled the box.

Norm called his cousins over and between them they counted the money. Sorting the bills into piles of different denominations the four men counted out \$20,000.00.

Since they were in a hurry to get to the church for the funeral and could not get to the bank in time they divided the money into four equal parts.

With each of them carrying \$5,000 in cash in their pockets they attended the funeral then afterward gave all the money to one member of the family who deposited it in their uncle's account.

Because he had left no

Norm Mills.

stone unturned or in this case no box unopened, Norm had saved a considerable amount of

money for the estate. If he had not been so thorough the money would have ended up in the local garbage dump.

Greg finds Brazil a land of contrasts

The following is a letter from Greg Pearson, a Minden high school student who is spending a year in Brazil as part of the Rotary International exchange program. Greg's participation in the program is sponsored by the Minden Rotary club. This letter was written November 8.

The Autumn colours have come and gone and the long cold winter is about to set in upon Minden. At the same time, in Brazil, we are just escaping what the natives billed, "a harsh winter." The temperature unmercifully plunged to 4 degrees Centigrade, which was the season low; and me without my scarf and toque! These single digit temperatures are all but a memory as summer is definitely here, the mercury is up in the 30's!

Finally I'm getting to know my way around Sao Paulo, or a bit of it anyway! I've been exploring my new territory via a ten speed bicycle lent to me by my family. I particularly enjoy riding around my residential area, called Morumbi. It is quite interesting for me to pedal around, gazing in wonder at the display of...wealth! Talk about a small town country boy gone to the big city!

In all my travels around Sao Paulo I've noticed a striking contrast between the 'old' and 'new'. It is odd to see a horse drawn cart threading its way through the stop and go traffic of

busy Sao Paulo. These carts are guided by Sao Paulo's less fortunate and travel around the city looking for old newspapers to sell for recycling.

The streets themselves illustrate this difference between 'old' and 'new'. Side streets are constructed of cobblestone, which are apparently quite old. It seems where these streets have decayed then the new technology of pavement has been applied.

Perhaps the most noticeable contrast is found in the city centre. Driving down an old and important avenue one is confronted with a glass-smooth, acutely constructed high rise, and standing in its shadows, a craggy, early century house, decaying beyond repair.

I believe the contrasts I've mentioned can be attributed to two facts. First, the overwhelming difference between the rich and poor; and second, Sao Paulo is a city that has grown so rapidly, there has been little time to plan. The final result is a mega-city, full of confusion and disorganization.

My trip has been filled with many new and different things. Highlighting my new experiences was my appearance on television! I was chosen to represent Canada on a program called "Permitted to Create". This program is a competition between two schools in various creative fields. Each

Greg Pearson.

school must present a person from a specified country, complete with a flag, some currency and a typical kind of dress not found in Brazil. Enter, stage

left, yours truly dressed in my Haliburton Redmen football shirt, clutching my giant Canadian flag and some coins. Everything went fine until they wanted me to

sing. I quickly declined and played a few notes on the piano. It was very enjoyable and a good experience, to say the least!

I've had the pleasure of travelling into the interior of Brazil to my family's coffee plantation. Visiting the farm, I was able to see how things operate which was quite interesting. My family's farm has over 200,000 coffee plants (6 to 10 ft high) which are harvested by hand.

While I was at the farm I stayed in the small town of Galia (1500 pop.) which was quite different from the city. I found the people very relaxed and laid back. Time is the least of their concerns. For example, if you agree to meet someone at 1:00 p.m., anytime from 10:00 a.m. to 5:00 p.m. is quite acceptable. This can become very frustrating and I feel fortunate Sao Paulo is a little better.

My second journey outside of Sao Paulo was to the small city of Compas do Jordao, which is situated between Rio and Sao Paulo. The mountainous terrain was very beautiful and it was good to get back to clean air and silent nights!

My most recent journey was to Guarujam which is just north of Santos on the coast. I spent five days with a friend and his family in a house across the road from the Atlantic. My friend owns three windsurfers and two surf boards, so I was

kept occupied playing in the ocean. All in all it was a very good holiday and nice to see the Brazilian coast.

I've also been busy around Sao Paulo and my attendance at several professional Futebol (soccer) matches, has been noteworthy. I live two minutes from Morumbi stadium, which is the largest, privately owned stadium in the world.

I quickly learned that one does not go to these games unbiased. The crowd quickly separates into two distinct sections, each cheering for one team when the players finally appear. They are greeted with a barrage of smoke bombs, firecrackers, streamers, confetti and anything else handy to throw. One game I saw the Sao Paulo team just happened to lose, I've never seen so many depressed people in all my life!

Through foreign eyes, all this hype seems rather unnecessary, but it's Sunday afternoon tradition and that's culture.

I've also visited a school in Sao Paulo that was founded by two French-Canadian priests. I'm happy to report that this school is noted as one of Sao Paulo's finest.

My own school is one of German background. It is very similar to a university because there are no hallways, only buildings, 13 to be exact. The school has

(more on page 8)

from the chamber

The first training courses for the Ontario Youth Tourism Program begin this month. The OYTP is a pilot project, the only youth employment program designed with a specific industry in mind. If successful, it could become a model for other initiatives. Now success depends on the active support of the tourism industry.

Jack Sebeslav, chairman of Tourism Ontario said, "We must respond positively. Tourism can provide work experience and career opportunities for young people who might otherwise become unemployable."

"And the program is a breakthrough for the industry. It is a response to the needs we expressed. We've participated in working out the details so that the Youth Tourism Program will deal with the price sensitivity of our industry and our long term need for a pool of trained personnel."

The program has three phases. The first is a two week introductory course at a community college. This is followed by up to 16 weeks of on-the-job training at a tourism enterprise in which the trainee receives an allowance of \$100 a week. Finally, there is a bursary program.

Employers who have enterprises outside the cities of Toronto, London and Ottawa, may sponsor candidates. These tourist operators must provide a new, full-time job that will employ the candidate for an average of 40 hours a week and pay the trainees \$100 a week.

Before the candidates arrive for on-the-job training, the government of Ontario provides a two-week course that emphasizes basic work habits and employment skills. Some of the candidates may never have held a full-time job before and must be taught the importance of punctuality, responsibility and politeness.

The basic training is given at local community colleges in the context of a course geared to working in the tourism industry. The topics to be covered include welcoming guests, sanitation, personal hygiene, serving food, food preparation and basic maintenance.

After the on-the-job training period, bursaries are available for outstanding candidates to pursue further education in tourism related studies.

Employers nominate candidates and contribute \$200 toward the bursary. The government of Ontario contributes \$1000. The bursary helps young people pursue a career, not just short-term employment in

the tourism industry.

Minister of Tourism and Recreation, Reuben Baetz, emphasized the need for industry support. "Together we can help those youths who are serious about a long term career in tourism," he said. "Participation by resorts, camps, hotels, motels, lodges and other tourist enterprises is extremely important to the Ontario Youth Tourism Program's success."

This year's budget provides for the training of up to 500 candidates before April 1985, with 100 bursaries available. Next fiscal year, up to 2000 can be trained.

Mike Baker, assistant deputy minister of tourism said, "This is a pilot project, one that responds to the specific needs of both the tourism industry and unemployed youth. It's a tremendously important first step, recognizing tourism's potential for creating employment in the future."

For information on the Ontario Youth Tourism Program, contact the Ontario Youth Tourism Program co-ordinator at the community college nearest you or call 1-800-263-7777.

Coming events

December 31, 1984 - New Year's Eve Dances in most communities.

Ministry of the Attorney General

Ontario

Roy McMurtry, Attorney General
William Davis, Premier

Newly appointed administrator of the Agnes Jamieson Gallery, Velma Stiver, holds the best of the show winner. Above right, rug hooking, Oriental poppy by Barbara Ellison.

Final juried show

The final juried art show held in conjunction with the Anson, Hindon and Minden 125th anniversary celebration opened Wednesday at the Agnes Jamieson gallery in Minden.

Grace Greenaway of Dorset was the winner of the best of the show category.

A ceramic owl created by Nancy Cowan of Minden won the award for the best from municipality artists.

The best of the open category was awarded to Thelma Dair of Haliburton.

The show also featured a collection of 40 works by the Haliburton Highlands Rug Hookers.

This exhibition of a pioneer art form, with a distinctly contemporary flavour, will continue through the holiday season until January 12.

Council backs motion

Support for additional provincial funding for municipal roads has been endorsed by Stanhope municipal council. The council backed a resolution being circulated by the Ontario Good Roads Association calling on the province to provide the additional assistance. The matter was considered at the December 5 meeting of the Stanhope Council.

The resolution from the provincial association suggests the province add \$75 million to its road subsidy budget each year, for the next five years starting in 1985. According to the association letter, the extra funds must be made available to prevent serious deterioration of the municipally maintained road systems in the province.

The request for additional funding was contained in a brief presented to the Ontario Cabinet by the association earlier this year.

Reeve Harry Davis agreed with the sentiments in the resolution, suggesting the province had reduced subsidy payments to municipalities for road purposes over the years. Other members of council backed this stand and the municipality will join the many others in the province pressuring for increased funding.

Rockcliffe strengthens hold at top

The Rockcliffe Foamblowers chalked up a pair of victories this past week to maintain their hold on first place in the Minden Men's Recreational Hockey League.

On Thursday, December 6 the Blowers defeated Vasey's 8 - 1, then scored a 11 - 5 victory over The Times on Monday evening. In the second game played on Monday Hall's Insurance skated to a 8 - 5 win over Hartwick Construction.

Thursday night's contest was a close checking game until the third period when the Blowers erupted for six unanswered goals.

Charlie Berube led the way for the Blowers with a pair of goals and two assists. Jim McKelvey and Dave Hart added a pair of goals and one assist each.

Other goal scorers were Andy Campbell with a goal and two assists and Ted Vasey with a goal.

Sid McKeighan helped out with three assists, Wayne Johnston assisted on two goals and Brett Austin and Dave Lee added an assist each.

Larry Sawyer scored the lone Vasey marker on an assist from Brendan Berube and Jerry Campbell.

In the first game played on Monday evening the Blowers added another lopsided victory to their record.

It was their seventh victory in as many games.

The Blowers led 5 - 0 going into the second period then added six more goals in their 11 - 5 romp over The Times.

Leading the way for the Blowers was Charlie Berube with a hat-trick and an assist and Dave Hartwick with two goals and a pair of assists.

Other goal scorers for the winners were Ted Vasey with a pair, Sid McKeighan, a goal and four assists, Brett Austin a goal and two assists, Jim McKelvey a goal and an assist, and Dan Brohm with a goal.

Assists went to Andy Campbell with a pair and Dave Lee and Wayne Johnston with an assist each.

Brian Shaw was the leading scorer for The Times with three goals and an assist.

Barry Shaw added a pair of goals and Steve Crowe and Rick Osinchuk had an assist apiece.

The second game on Monday evening was a more evenly matched contest with Hall's skating to a victory over Hartwick by a score of 8 - 5.

Scoring for Hall's were Lawrence Lougheed with two goals and an assist, Peter Walker, two goals, Joe Giles, Barry Walker, and Randy Anderson a goal and

two assists each, and Joe Outram a goal and an assist.

Assists went to Mike Jackson and Dave Dollo with two each, and Barry Vannasse with a single.

Thursday, December 13 Vasey's and Home take to

the ice at the Minden Arena at 9:00 p.m.

Monday, December 17 Hall's and The Times square off at 7 p.m. followed by Hartwick vs. Vasey at 8:30.

There is no admission charge to the games.

Greg Pearson in Brazil

(from page 5)

5000 students in attendance coming in a morning shift and an afternoon shift.

I have a total of 15 subjects which I get about 3 times a week. They include: Geometry, mathematics, physics, biology, chemistry, botany, Portuguese literature, Portuguese grammar, English, German, sports, history, geography, philosophy and economics.

The school system is divided into 3 sections as follows: No. 1: All German - One Portuguese language class. No. 2: Portuguese - One German language class. No. 3: All Portuguese - No German. I'm on No. 2 right now but in February, after the holidays, I hope to enrol

in No. 1. (All German - to try to pick up a third language.)

All the good schools in Brazil are private, funded by the parents of the children. The public schools get very little funding from the government and the schools have very little. This is another harsh reality, attributed to the Rich vs Poor and government corruption.

Something I think is unique to Brazil, is the "Parallel Market" concerning currency exchange. There is a fixed rate of exchange at which one can buy and sell American dollars out of legal channels. For example, the bank rate may be \$1 American equals 2000 cruzeiros, and the parallel rate is 2600

cruzeiros for the same dollar. This market is accepted and both rates are published in a weekly national magazine.

The dollar is a very good investment for Brazilians. Since my arrival the rate has gone from 2000 or 3000 cruzeiros for one dollar and

it's still rising. Needless to say, my financial situation is looking better each day!

That's about all my news for now, if any questions arise, feel free to write and I'll do my best to answer them.

Greg Pearson,
c/o E. Granchelli,
Rua Antonio Appel
Neto, 115
CEP 05652 Sao Paulo, SR
BRAZIL.

Did you know?

by Bambi Gilder

Did you know ... that your County Information and Referral Centre has a variety of application forms that you may need at some time?

We have forms for applying for passports, Birth, Death and Marriage Certificates, social insurance number, correspondent education, Ontario Student Assistance Program (OSAP), Family Allowances, Retirement Pensions (OAS) (CPP), Death & Survivors, Senior Citizens Accommodations, Canadian Home Insulation Program (CHIP), Canada Oil Substitution Program (COSP), Mortgage Rate Protection Program (MRPP), and many more. If

we don't have the form you need, we will either get it for you or advise you as to where you can obtain one.

Wouldn't it be nice to not receive any more junk mail? Well, there is a way! In order to get your name off many mailing lists, just call the Canadian Direct Mail Association at (416) 494-8585.

Please keep in mind that we are here to help people of all ages find solutions to problems relating to social, health, governmental and environmental subjects. Why not drop in or give us a call at 457-2733. We are located in the Drag River Municipal Building in Haliburton and our office hours are 10:00 a.m. to 4:00 p.m.

And remember ... you'll never know the answer until you ask the question.

Chris Laporte, No. 16, of the Minden Juvenile hockey team lets fly with a stinging shot Friday evening in a game that saw the home team defeat Bracebridge by a score of 7-2. The game was just one of two played by the Juveniles over the weekend, both of which they won.

Juveniles win weekend pair

A well-balanced, disciplined offence, solid defence and strong goaltending, have been key factors in the success of the Minden Juveniles this season.

In eleven regular scheduled games the Juveniles have lost only once. They also suffered only one defeat in a recent tournament held in Gravenhurst and went on to win the consolation round.

This past weekend Minden recorded a pair of victories at home, defeating Bracebridge 7-2 on Friday then fighting back to beat Beaverton 7-5 on Sunday.

In Friday's game, Minden jumped to a 5-0 lead before Bracebridge answered with two quick goals in the third period to spoil goalie Vince Duchene's shutout.

Minden led 2-0 at the end of the first period on goals from Scot Hamilton and Jeff Howe. Lennie Johnston assisted on the second goal.

Lennie added another marker early in the second period on an assist from Jeff Howe then Boomer Stamp made it 4-0 on an unassisted goal.

Bernie Upton finished off the second period with a goal after taking a pass from Barry Boice.

Halfway through the third period Bracebridge scored twice in less than a minute to narrow Minden's lead to three goals, but the

rest of the game belonged to the home team as Lennie Johnston put one between the pipes on a pass from Jeff Howe and Scot Hamilton added his second goal of the game with an assist from Bernie Upton.

Referee Wayne Welch handed out ten minor penalties to each team.

On Sunday afternoon the Juveniles had a little more difficulty in dispatching their opposition as they had to come from behind to defeat Beaverton 7-5 at the Minden arena.

Beaverton got on the scoreboard first scoring two quick goals at the 6:59 and 5:10 mark of the opening period. With one second left in the first period, Jeff Howe popped one in after taking a pass from Boomer Stamp.

With the second period only a minute old, Lennie Johnston tied the score with assists from Jeff Howe and Barry Boice.

Beaverton took the lead again one minute later with a goal. Then Barry Boice scored twice in a row to put

the home team up for the first time in the game. He was assisted by Scot Hamilton and Boomer Stamp.

Boomer added another goal on an assist from Scot Hamilton to end the second period.

In the third period, Barry Boice increased Minden's lead on an assist from Boomer Stamp.

Beaverton narrowed the gap, scoring two goals in a row but with less than two

minutes remaining in the game, Barry Boice scored his fourth goal of the afternoon, to clinch the victory.

Boomer Stamp got the assist on the play, his fourth of the game.

Referee Cameron Monk handed out ten minor penalties to Minden and seven minors to the visitors.

The next home game is

Friday, December 21, at 8:00 p.m.

Hometown Christmas

YOUR HOMETOWN

a great place...to live, to grow, to shop.

With the Christmas season just around the corner, you are no doubt preparing your shopping list. This year, visit local shops and stores first. Local businesses are an important part of your community. They provide services year 'round, are there when you need them and have a wide selection of merchandise. Moreover, local businesses provide employment opportunities, contribute to the welfare of the community and take an active interest in the growth and future of your hometown.

Gas rebate program announced

- by Bill Scott, MP -

On December 3, the Hon. Perrin Beatty, Minister of Revenue announced further details on the program to rebate the tax on gasoline and diesel fuel for farmers, fishermen, loggers and mine operators. The program, introduced by the Hon. Michael Wilson in his Economic Statement of November 8, becomes effective December 1, 1984 and remains in effect until January 1, 1987.

The 4.8 cents per litre rebate on the cost of fuel for off-highway use in commercial activities is comprised of 3.0 cents federal sales tax and 1.8 cents Petroleum Compensation Charge.

There are two ways

eligible users may participate in this program; vendors of fuel who are licensed under the Excise Tax Act will be able to grant the rebate directly to purchasers who hold a sales tax bulk permit which will be issued by the Department's Excise Branch; alternatively, purchasers without sales tax bulk permits or those who buy from unlicensed suppliers can file rebate applications through the Excise Branch. Sales tax bulk permit information and rebate applications forms will be mailed directly to the eligible users by the Department during the first quarter of 1985. It is therefore important for users to

retain receipts of purchases of fuel from December 1.

As well, on December 3, the Hon. Perrin Beatty and the Hon. Barbara McDougall, announced that the new Special Import Measures Act became effective on December 1. This Act replaces the Anti-Dumping Act and amends other import legislation relating to countervailing duty and measures taken to protect Canada's trading interests. In making the announcement the Ministers stated, "The Special Import

Measures Act should enable Canada to respond more effectively to situations of injurious dumping or subsidizing by following procedures which are efficient, fair and open to public view."

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owners, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Little Hawk Lake, lying in front of part of Lot 21 Concession 10 and being more particularly described as part 3 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3009.

SECONDLY: All and Singular that certain parcel or tract of Land and Premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of land designated as road allowance on Crown Land Surveys on Part Lot 21 Concession 10 and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3009.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 9th day of January, 1985 at the hour of 11:30 A.M., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: December 7, 1984.

Gerald C. Bain, A.M.C.T.
Clerk of the Corporation of the Township of Stanhope,
R.R. #1, Haliburton, Ontario
KOM 1S0

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey those parts of the original allowance for road set out and described as follows:

FIRSTLY: ALL that part of Lot 3 Concession V, in the Township of Stanhope, in the County of Haliburton, designated as allowance for road on Plan and Field Notes of Summer Resort Location J.B. 125 and further designated as Part 1 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R 3173.

SECONDLY: ALL that part of Lot 3 Concession V in the Township of Stanhope, in the County of Haliburton, designated as allowance for road on Plan and Field Notes of Summer Resort Location J.B. 126 and further designated as Part 2 on a Plan of Survey deposited in the Registry office for the Registry Division of Haliburton as Plan 19R 3173.

THIRDLY: ALL that part of the original allowance for road along the shore of Kushog Lake in front of Broken Lot 3, Concession V, in the Township of Stanhope, in the County of Haliburton, designated as Part 3 on a Plan of survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R 3173.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

The proposed By-Law will come before the said council for consideration at a meeting to be held at the Municipal Office in the Township of Stanhope on the 9th day of January, 1985 at the hour of 11:00 a.m., and at that time, the Council will hear in person or by his counsel, solicitor, or agent, any person who claims that his land will be prejudicially affected and who applied to be heard.

The Rotary Club of Minden is co-ordinating the collection of non-perishable groceries for distribution to the needy this Christmas. With the co-operation of the Minden Red and White grocery store and Dollo's I.G.A., collection boxes have been installed at the front of both stores. Shoppers are being asked to purchase an extra item to be left in the collection boxes. The food will be distributed through the municipality. I.G.A. manager David Dollo, left, and Rotary representative, Bill Obee, are seen here in front of the collection depot.

Minden musicians featured

A number of Minden area musicians will be featured in a concert planned for December 16 in Lindsay.

Fiddler Don White, along with Bob Hannon and Jamie Boyd, all of the Minden area, will be on stage at the Grand Theatre along with other acts.

The monthly program of country and western music is sponsored by the Victoria County Country Music Association. According to the group's president Larry Cozack, the association was formed to help promote country and western music in the Victoria and Haliburton County areas. "We like to draw on local talent

for these concerts," he commented, "giving the performers an opportunity to demonstrate their talent and to encourage them."

According to the president, the money raised in admission is used to support area charity drives. The first concert sponsored by the organization was held in November and played to a full house. Proceeds from the December concert will be going to the Lindsay Santa Claus Fund. Next month the regional CAT Scan fund will be the beneficiary.

The show begins at 7:30 p.m. Sunday evening. Admission is \$3.00.

Haliburton County Home Support Services Drop-In Centre will be holding a joint get-together for those who partake (or would like to partake) in the various programs that are currently taking place in the Drop-In Centre.

It will be held on Monday, December 17 at 1230 in the form of a luncheon and card games following. Each group (bridge, euchre and cribbage) will be approached by the appropriate convener to organize the luncheon. Everyone is welcome to come. This will be the last time these three groups will meet until the New Year.

Bridge will resume on Monday, January 7, euchre on Wednesday, January 9 and cribbage on Friday, January 11.

Tickets are available in our Home Support office for a draw to be held on Wednesday, December 19 for an edible gingerbread house. Tickets are three for one dollar.

Have a nice day!

Eight girls and boys from the Minden Figure Skating Club will be going to Lindsay December 15 to take part in the CanSkate Canfigure competitions. We wish all of them the very best of luck.

The very popular draw of a genuine Cabbage Patch Doll at the Catholic Parish bazaar on Saturday was won by Mrs. Isabelle Clay of Lutterworth Estates. In the spirit of the season, Mrs. Clay generously donated the doll to a little girl of the parish.

Winners in the Monday evening card part at Club 35 were - Most lone hands Ken Campbell, High man - Bill Donnelly, High lady - Eleanor Bunker. The door prize went to Mary Schad and the other winners were Elsie Hornby, Jack Weekes and Greta Alsop.

Don't forget the Rotary Club Turkey bingo on Tuesday, December 18 - Come out and win your Christmas turkey!

Freda and Jack Stacey are spending a few days in the

Oshawa area with relatives.

Weekend guests with Mr. and Mrs. Milton Sears were the Paul Warburtons of Scarborough and on Sunday afternoon, Carol and Reg Leaman and Karen of Keswick.

Card Party winners at St. Paul's Anglican last Thursday afternoon were Ida Holmes (on a cut), Pat Woolley, Shirley Elcome, Bob Mitchell and Joe Dollo.

There will be Christmas Party for children at Minden Library on December 22 beginning at 1:15 p.m.. Admission is, as always, free and all are welcome.

The Women's Institute Christmas Party will be held at the United Church Hall on December 19 at 2 p.m. All ladies are welcome.

Sincere sympathy to Mrs. Harvey Campbell on the loss of her father Mr. Harold Grice of Montreal and to the family and friends of the late Mr. Bert Bowron. Our thoughts are with you.

Tweedle Dum and Tweedle Dee

No doubt, folks, you went voting,
And it is plain to see
Apart from voting Labour,
I.E. the N.D.P.
Your choice, folks, was confined to
Tweedle Dum and Tweedle Dee.

The promises were weather vaned
And spun to every wind
Where the gusts were strongest
Majority inclined,
One had to guess of purpose
So little was defined.

You could vote for whom you wished,
While wondering for what.
Its your democratic right
To wonder what you got,
Yet finding that whatever
Is rarely what you thought.

We see our stalwart brave of face,
And listen to his pitch,
About that greedy upper class
The tax-evading rich;
Those who supply his campaign funds,
And here, folks, is the hitch.

Ah, yes, indeed the fact belies,
But that is nothing new.
It really is not hard to guess
Our stalwart's point of view,
What's good for the establishment
Has to be good for you.

Government by the people,
And for the people too,
But just who are these people?
The many or the few?
Times I get to wondering
Who is kidding who.

W. Watson,
R.R.2, Minden.

piano, Russel Robertson the square dance he did call, it was allemande left to the corner lady and promenade the hall. They also had a Waltz, Schottische, The Heel & Toe & step dancers. You should have seen them go. Then they had the Healing Machine, which really was a scream. No matter what disease you had, some could not even tell, but when you came out of the healing machine you all came out real well. Except Joyce Bacon who developed the St. Vitus' dance, when she went through the machine, it didn't have a chance.

The last act was the Nativity Scene, which was acted very reverently. Then they were sure we had a lunch and a cup of tea. This wasn't the end because we had dear old Santa Claus. We would like to say a big thank you to all who planned this concert. I guess we'll give them each a real big kiss.

We would like to thank Peter Dollo and Sid Stamp

Question?
Still in doubt
about
New Year's Eve?
Minden Rotary
has a good
suggestion!

(watch next week's paper)

kid's korner

by Jean Lacey

Hi Kids!
Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a

straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What did one penny say to the other?

A: It would make more sense (cents) if we were together.

Q: What must one do to have soft hands?

A: Nothing.

Q: What did one flea say to the other?

A: Will we walk or take a dog?

Q: Why did the boy put a frog in his sister's bed?

A: Because he didn't have a snake.

Q: What was the turtle doing on the freeway?

A: About two miles an hour.

Q: What did the boy octopus say to the girl octopus?

A: I want to hold your hand, hand, hand, hand, hand, hand, hand.

Q: What goes clomp, clomp, clomp, clomp, clomp, clomp, squoosh?

A: An octopus with one shoe off.

senior league

by Bert Harrison

Dear readers, a happy event took place this Sunday, Winnifred Johnson celebrated her 95th birthday, with a lovely birthday party, all kinds of delicious sandwiches, tea, coffee, soft drinks and birthday cake. I used to take them meals on wheels, when she and her husband lived at Maple Lake. It was so good to meet old friends again, Ruth Barry and Phrona Sisson and many, many more, some of our friends have left us and gone to live upon the golden shore.

In the chapel service Sunday night the Thompsons were there, Ruth to play the music, lead the singing, Herald to read the lesson he also offered prayer, in the tenth chapter of John, Rev. Burgess spoke on Jesus, "I am the good shepherd who hath given His life for His sheep."

We have some residents in hospital, Mrs. Ada McBrien and also Helen Brown. Quite a lot of activity over the weekend, different ones coming to visit daughters or mothers. I haven't mentioned our nurses for quite some time. There is something in this I miss, they just work every day, day after day, but don't seem to be wanting a kiss. It is nice to have Melinda O'Mara back from a two week holiday. It doesn't seem the same here when Melinda is away.

Tuesday morning Rev. George Elliott from Minden Anglican Church conducted a very impressive communion service in the chapel. We all thank you for coming and Fred Ballard came the music to play. Tuesday afternoon interesting movies for all who wanted to see, Winter Canada and Friends of the Family.

We would like to say a big thank you and hope that she will be blessed to Mrs. Bernice Lydiote for bringing us a lovely ginger bread house and donating it to Hyland Crest Residents.

Well readers, we are having quite a winter. Do you think this snow will stay? Is the weather going to turn, or is it going to melt away?

Daryl Crowe entertained us Tuesday night. Now Daryl is quite a boy, he plays and sings mostly love songs which we all enjoy.

Wednesday night we had our Christmas Concert, put on by the staff and from start to finish it really was a laugh. Bill Payne was M.C. and a good one too, as a matter of fact, he told Newfie jokes in between acts. The first number was a lady on a shopping spree, with her baby played by Olive Hamilton, who was naughty as she could be. The next was a square dance, music was played by George Smith, also our Doris on the

CARD OF THANKS

Thank you from the Catholic Parish of Our Lady of Fatima to the Anglican Parish of St. Paul's for the use of their hall for our Christmas Bazaar. Thanks goo, for all who helped to make the event a success.

Many thanks to representatives of service clubs and organizations, and to all individuals who attended the CAT Scan program at the Legion on December 3, making it such a success. Special thanks to all those who gave so generously, and to those who are making donations at the local banks.

Jack MacDonald,
CAT Scan Chairman

Words cannot express the gratitude we feel for the kindnesses shown to my family and myself during my recent stay in hospital. My sincere thanks to everyone who visited, sent flowers, cards and took the time to call to cheer me up. A very special thank you to Bess Cox, Joanne Camelon and Paula Solway who saw to it my wife and family could visit and also to ambulance drivers, Rob Luke and Richard Balas, Dr. Lodenquai and the staff of Minden hospital, Dr. Manmohan-sing and the 3rd floor nursing staff of Ross Memorial Hospital. God Bless you all. We had not realized people could be so kind.

Bill Beers & family

CARD OF THANKS

To whom it may concern, my boomerang came back!

AT REST

BOWRON
Wilbert (Bert)

- at the Haliburton Hospital on Friday, December 7, 1984 in his 75th year. Dear husband of the late Ada Brown, dear brother-in-law of Calvin Brown, Gladys Brown and Vernetta Osborne, all of Port Hope and Talbert Brown of Mississauga, loving uncle of Norma Hughes, Kenneth Bowron and Mariam Aggett, all of Minden, Phyllis Watt of Oshawa, Cecilia Thompson of Bowmanville and Josephine Davidson of Ajax. Resting at the Gordon A. Monk Funeral Home, Minden after 2:00 p.m. Sunday. Funeral Service in the chapel at 1:30 p.m. Monday, December 10th. Spring Interment Minden Cemetery.

IN MEMORIAM

WINDSOR: In loving memory of a dear cousin Blanche Windsor, who passed away December 12, 1983.

There is a special corner in our hearts
We keep it just for you
As long as life and memory last
We love and remember you.
Her hand we cannot touch
But still we have so many memories
Of the one we love so much.
Life hasn't been the same without you
She is gone but not forgotten.

Always remembered by
cousin Mary McPhail.
